By 4th Quarter 2010 we will also start operating as a **Wholesale Outbound** agent featuring all major Asian Countries in term of all our services.

To facilitate the growth of the company in Asia, we established AceVentures (OMT) Holidays Consultancy in Singapore. For the past years, OMT Holidays and Tours have successfully organized programs for prestigious International Clients mainly coming from the Asia Pacific region and we have closed contact with group organizers from below organizations:

Thanks to our experienced **Team Building** team, we have been able to conduct professional & intensive programs in many languages such as French, German, Russian, Italian, Spanish, Malay, Indonesian, English, Korean or Chinese, including mental and physical exercises for delegates of all ages. We are proud that most of the 4-5 stars resorts on Phuket Island and Thailand are highly recommending our professional team to **MICE** groups from around the world to conduct programs in multiple languages. Our services are especially popular with Chinese from China as our Chinese language capabilities enable us to assist local hospitality providers with translation services.
